School is now in session. We want to remind everyone to slow down and take extra precautions during school hours. When a school bus is stopped with the flashers on, it's against the law to pass. Citations will be issued. Our police officers will be patrolling school zones. Let's protect our most precious resource, our children.

*To preserve the beauty and uniformity of the Grantsville City Cemetery, our city code (Title 6) governs what can be put on a grave and the height limits of headstones. Title 6, Section 6-1-13, states that headstones should be 36 inches or less above the lawn. It also states that any object NOT kept on the headstone will be removed and disposed of by cemetery personnel. The only exception to this rule is during Memorial Day weekend and specific themed holidays. These should be removed after 7 days. For safety reasons, items of glass, wire, pegs, pinwheels, or iron rod (shepherd hooks) are not permitted. Families have until Nov 1, 2018 to remove objects that are not permitted. Items left will be removed by cemetery personnel. Thank you for helping our cemetery look its best.

Everyone is invited to a FREE concert! **Ray Smith and the Timpanogos Big Band** will be entertaining us on Saturday, September 15th at 7:30 p.m. at the Cherry Street Park. Bring your own chairs and blankets and enjoy the awesome music. Ray is an accomplished Jazz musician who has more than 200 CD credits and has performed on several movie scores. This concert is brought to you by the Grantsville Performing Arts Council.
